WHEREAS, the Clerk of the Township of Neptune provided voluminous volumes of documents, but based on advise of Labor Counsel, did not release Internal Affairs Reports, which were identified as excluded under OPRA as confidential and private; and

WHEREAS, the Asbury Park Press brought a lawsuit under OPRA seeking release of said documents both under OPRA and the Common Law; and

WHEREAS, the Hon. Lisa P. Thornton, P.J.S.C. rendered a decision in July, 2018, which found that the documents sought and not released by Neptune Township were indeed exempt from disclosure under OPRA, and should not have been released under OPRA, but based on the Common Law Claim, which requires a balancing of hardships and public interests and a fact sensitive request, certain Internal Affairs Reports should be released if properly redacted, and that partial legal fees should be granted to the Plaintiff under the Common Law; and

WHEREAS, Labor Counsel has advised the governing body that although there is a legal fee shifting requirement in the case of OPRA, that there is no such fee shifting requirement under the Common Law, and that the Plaintiff is not entitled to legal fees in the instant matter; and

WHEREAS, Neptune Township is in the process of filing a Motion for Reconsideration with regard to the assessment of legal fees, but needs authorization if unsuccessful, and chooses to file a Notice of Appeal, if appropriate to the Appellate Division to address this case of first impression in involving legal fees under the Common Law.

NOW, THEREFORE, BE IT RESOLVED, by the Township Committee of the Township of Neptune, that the governing body hereby authorizes Jonathan Cohen, Esq., who has been assigned to this matter since its inception shall file a Motion for Reconsideration on the question of legal fees with regard to the aforesaid case, and if unsuccessful, in his discretion and with authorization by the Township Committee, may file a Notice of Appeal before the Superior Court of New Jersey, Appellate Division to address the legal fees where decision for release of documents is based on the "Common Law" alone, and the decision to release said documents required balancing of the interest of the public and the privacy of an individual, which may be assessed differently from case to case and Court to Court; and,

BE IT FURTHER RESOLVED, that a certified copy of this resolution be forwarded to the Township Attorney and Jonathan Cohen, Esq.
