ORDINANCE NO. 14-36 (9/8/14)
ORDINANCE NO. 14-47 (11/24/14)
ORDINANCE NO. 15-19 (5/11/15)
ORDINANCE NO. 15-26 (6/22/15)
ORDINANCE NO. 15-43 (10/8/15)

AN ORDINANCE AMEND VOLUME I, CHAPTER XII OF THE CODE OF THE TOWNSHIP OF NEPTUNE BY ADDING SECTION 12-5 ENTITLED "VACANT AND ABANDONED PROPERTIES"

BE IT ORDAINED by the Township Committee of the Township of Neptune that Volume I, Chapter XII of Code of the Township of Neptune be and is hereby amended to add Section 12-5 entitled "VACANT AND ABANDONED PROPERTIES" as follows:

12-5 – VACANT AND ABANDONED PROPERTIES

12-5.1 – Findings, declaration relative to abandoned properties.

- A) The Township Committee finds and declares that:
- 1) Abandoned properties, particularly those located within urban areas or in close proximity to occupied residences and businesses, create a wide range of problems for the communities in which they are located, fostering criminal activity, creating public health problems and otherwise diminishing the quality of life for residents and business operators in those areas.
 - 2) Abandoned properties diminish the property values of neighboring properties and have a negative effect on the quality of life of adjacent property owners, increasing the risk of property damage through arson and vandalism and discouraging neighborhood stability and revitalization.
 - 3) For these reasons, abandoned properties are presumptively considered to be nuisances, in view of their negative effects on nearby properties and the residents or users of those properties.
 - 4) The continued presence of abandoned properties in New Jersey's communities acts as a significant barrier to urban revitalization and to the regeneration of the State's urban centers.
 - 5) Abandonment is a local problem that must be addressed locally and the most important role of State government is to provide local governments, local community organizations, citizens, and residents with the tools to address the problem.
 - 6) The responsibility of a property owner and in some cases the lienholder to maintain a property in sound condition and prevent it from becoming a

nuisance to others extends to properties which are not in use and 'demolition by neglect', leading to the deterioration and loss of the property, or failure by an owner and in some cases the lienholder to comply with legitimate orders to demolish, stabilize or otherwise repair his or her or its property creates a presumption that the owner and in some cases the lienholder has abandoned the property.

- 7) Many abandoned buildings still have potential value for residential and other uses and such buildings should be preserved rather than demolished wherever feasible, particularly buildings that have historic or architectural value, or contribute to maintaining the character of neighborhoods or streetscapes, or both, as the case may be.

12-5.2 – Definitions relative to abandoned property, actions concerning repair, closing or demolition, and relating to this ordinance.

A) As used herein;

- 5) "Municipality" means the Township of Neptune.
- 6) "Owner" means the holder or holders of title to a vacant and/or abandoned property. (Amended by Ordinance No. 16-40)

- 12) "Vacant Property" shall mean any building to be used as a residence or for commercial or industrial purposes, which is not legally occupied or used for its accustomed and ordinary purpose for a period of six months or more. In the case of the use of residential property, "used for its accustomed and ordinary purpose" means as a place of abode. (Black's Law Dictionary) Property which is used for the summer season (seasonal basis) as defined below, shall not be deemed vacant for purposes of this Ordinance. Property determined to be "abandoned" under this Ordinance must be determined to be "vacant" for purposes of this Ordinance. The date that the Public Officer reports as the date he or she determines vacancy shall be the commencement date for the six month vacancy period. (This definition was added by Ordinance No. 15-26 and amended by Ordinance No. 16-40)

12-5.3 – Determination that property is abandoned.

- A) Except as otherwise provided in this Ordinance, any property that has not been legally occupied for a period of 6 months or more and which meets any one of the following additional criteria may be deemed to be abandoned property upon a determination by the Public Officer that:
 - 1) The property is in need of rehabilitation in the reasonable judgment of the Public Officer, and no rehabilitation has taken place during that 6-month period;

 - 3) At least one installment of property tax remains unpaid and delinquent on that property in accordance with chapter 4 of Title 54 of the Revised Statutes as of the date of determination by the Public Officer pursuant to this section; or
 - 4) The property has been determined to be a nuisance by the Public Officer in accordance with local Ordinances and State Statute.

12-5.4 – Determination of property as a nuisance.

- A) A property may be determined to be a nuisance if;

- 2) The condition and vacancy of the property materially increases the risk of fire to the property and adjacent properties;
- 3) The property is subject to unauthorized entry leading to potential health and safety hazards; the owner and in some cases the lienholder has failed to take reasonable and necessary measures to secure the property; or the municipality has secured the property in order to prevent such hazards after the owner and in some cases the lienholder has failed to so do;
- 4) The presence of vermin or the accumulation of debris, uncut vegetation or physical deterioration of the structure or grounds have created potential health and safety hazards and the owner has failed to take reasonable and necessary measures to remove the hazards; or;
- 5) The dilapidated appearance or other condition of the property materially affects the welfare, including the economic welfare, of the residents of the area in close proximity to the property, and the owner has failed to take reasonable and necessary measures to remedy the conditions.
- 6) A Public Officer who determines a property to be nuisance pursuant to Subsections 2 through 5 of this section shall follow the notification procedures set forth in P.L. 1942, c.112 (C.40:48-2-3 et seq.).

12-5.5 – Property not deemed abandoned, conditions.

- A) If an entity other than the municipality has purchased or taken assignment from the municipality of a tax sale certificate on an unoccupied property, that property shall not be deemed to be abandoned if (1) the owner of the certificate has continued to pay all municipal taxes and liens on the property in the tax year when due; (2) the owner of the certificate takes action to initiate foreclosure proceedings within 6 months after the property is eligible for foreclosure and (3) the Public Officer has determined that the property is not a nuisance pursuant to Ordinance or that in the discretion of the Public Officer, the owner of the certificate has acted in good faith to repair and/or rehabilitate the property by its actions and through applications where necessary before this Historic Preservation Commission, Planning Board and/or Zoning Board of Adjustment and/or Zoning Department.
 - 1) A property which is used on a seasonal basis shall be deemed to be abandoned only if the property meets any two of the additional criteria set forth in this Ordinance. (Section 12-5.3(A)1-4).
 - 2) A determination that a property is abandoned property under the provisions of this Ordinance shall not constitute a finding that the use of the property has been abandoned for purposes of municipal zoning or land use regulation.

12-5.6 – Action concerning repair, closing or demolition - Identification of abandoned property, listing.

- A) This Ordinance hereby appoints the Director of Code and Construction as the Public Officer and directs the Public Officer to identify abandoned property for the purpose of establishing an abandoned property list throughout the municipality, or within those parts of the municipality as the governing body may designate by resolution. Each item of abandoned property so identified shall include the tax block and lot number, the name of the owner of record, if known, and the street address of the lot.
- B) The Public Officer shall establish and maintain a list of abandoned property, to be known as the “abandoned property list.” The municipality may add properties to the abandoned property list at any time, and may delete properties at any time when the Public Officer finds that the property no longer meets the definition of an abandoned property. An interested party may request that a property be included on the abandoned property list following that procedure set forth by this Ordinance and/or Statute N.J.S.A. 55:19-105. An abandoned property shall not be included on the abandoned property list if rehabilitation is being performed in a timely manner, as evidenced by building permits issued and diligent pursuit of rehabilitation work authorized by those permits. A property on which an entity other than the municipality has purchased or taken assignment from the municipality of a tax sale certificate which has been placed on the abandoned property list may be removed in accordance with the provisions of this Ordinance or N.J.S.A. 55:19-103.
- C) The Public Officer, within 10 days of the establishment of the abandoned property list, or any additions thereto, shall send a notice, by certified mail, return receipt requested, and by regular mail, to the owner of records and all lienholders of every property included on the list shall cause the list to be published in the official newspaper of the municipality, which publication shall constitute public notice. The published and mailed notices shall identify property determined to be abandoned setting forth the owner of record, if known, the tax lot and block number and street address. The Public Officer, in consultation with the tax collector, shall also send out a notice by regular mail to any mortgagee, servicing organization or property tax processing organization that received a duplicate copy of the tax bill pursuant to subsection d. of R.S. 54:4-64. When the owner of record and/or lienholder is not known for a particular property and cannot be ascertained by the exercise of reasonable diligence by the tax collector, notice shall not be mailed but instead shall be posted on the property in the manner as provided in Section 5 of P.L.1942, c.112 (C.40:48-2-7). The mailed notice shall indicate the factual basis for the Public Officer’s finding that the property is abandoned property as that term is defined in Section 35 of P.L.1996, c.62 (C.55:19-54) and the rules and regulations promulgated thereunder, specifying the information relied upon in making such finding. In all cases a copy of the mailed or opposed notice shall also be filed by the Public Officer in the office of the county clerk or register of deeds and mortgages, as the case may be, of the county wherein the property is situate. This filing shall have the same force and effect as a Notice of Lis Pendens under N.J.S.A. 2A:15-6. The notice shall be indexed by the name of the property owner and lienholders as defendants and

the name of the municipality as plaintiff, as though an action had been commenced by the municipality against the owner and/or lienholder.

- D) An owner or lienholder may challenge the inclusion of his property on the abandoned property list determined pursuant of subsection B of this section by appealing that determination to the Public Officer within 30 days of the owner's receipt of the certified notice or 40 days from the date upon which the notice was sent. An owner whose identity was not know to the Public Officer shall have 40 days from the date upon which notice was published or posted, whichever is later, to challenge the inclusion of a property on the abandoned property list. For good cause shown, the Public Officer shall accept a late filing of an appeal. Within 30 days of receipt of a request for an appeal of the findings contained in the notice pursuant to Subsection C of this section, the Public Officer shall schedule a hearing for redetermination of the matter. Any property included on the list shall be presumed to be abandoned property unless the owner and/or lienholder, through the submission of an affidavit or certification by the property owner and/or lienholder averring that the property is not abandoned and stating the reasons for such averment, can demonstrate that the property was erroneously included on the list. The affidavit or certification shall be accompanied by supporting documentation, such as but not limited to photographs, repair invoices, bills and construction contracts. The sole ground for appeal shall be the property in question is not abandoned property as that term is defined by this Ordinance and/or State Statute. The Public Officer shall decide any timely filed appeal within 10 days of the hearing on the appeal and shall promptly, by certified mail, return receipt requested, and by regular mail, notify the property owner of the decision and the reasons therefore.
- E) The property owner and in some cases the lienholder may challenge an adverse determination of an appeal with the Public Officer pursuant to subsection D of this section, by instituting, in accordance with the New Jersey Court Rules, a summary proceeding in the Superior Court, Law Division, sitting in the county in which the property is located, which action shall be tried de novo. Such action shall be instituted within 20 days of the date of the notice of decision mailed by the Public Officer pursuant to Subsection D of this section. The sole ground for appeal shall be that the property in question is not abandoned property as that term is defined by this Ordinance and/or State Statute. The failure to institute an action of appeal on a timely basis shall constitute a jurisdictional bar to challenging the adverse determination, except that, for good cause shown, the court may extend the deadline for instituting the action.
- F) The Public Officer shall promptly remove any property from the abandoned property list that has been determined not to be abandoned on appeal.
- G) The abandoned property list shall become effective, and the municipality shall have the right to pursue any legal remedy with respect to properties on the abandoned property list at such time as any one property has been placed on the list in accordance with the provisions of this section, upon the expiration of the period for appeal with respect to that property or upon the denial of an appeal brought by the property owner.

12-5.7 – Removal from abandoned property list: conditions.

- A) If a property, which an entity other than the municipality has purchased or taken assignment from the municipality of a taxes sale certificate, is placed on the abandoned property list, the property shall be removed from the list if the owner of the certificate pays all municipal taxes and liens due on the property within 30 days after the property is placed on the list; provided, however, that if the owner of the certificate fails to initiate foreclosure proceedings within 6 months after the property was first placed on the list, the property shall be restored to the abandoned property list.
