

****PLEASE NOTE****

POSSIBLE PICKUP CHANGE DUE TO COVID-19

In past years the NJ Forest Service Nursery have delivered seedling orders to seven pick up locations around the state. Last year because of COVID-19, the nursery only allowed customers to pick up their orders at the nursery in Jackson.

With the uncertainty of COVID-19 for the spring of 2021, the nursery may need to implement the procedure again of only allowing customers to pick up their orders at the nursery. **The final decision to allow customers to pick up orders at the sites around the state will probably not be made until March.** If possible, please pay for your order with a credit card. **The credit card will not be run until you pick up your order.**

Please include an email address on your order form to facilitate contacting you about potential changes to the pick up locations.

If you have questions, please call the nursery at 732-928-0029.

Thank you.

I certify that the trees will be planted in New Jersey for forestation and/or conservation projects only. I understand and certify that I will not resell or remove any forestation stock, obtained pursuant to this agreement, from the property for ornamental use as living trees, or for use as Christmas trees. The terms forestation and conservation mean the planting of trees for legitimate conservation/education projects as described in N.J.A.C. 7:3-2.4(a), including lumber and cordwood production, school and youth conservation/education projects, protection of watersheds, soil erosion and screen for windbreaks and aesthetics. I understand that if I violate any condition of sale of this agreement I am required to reimburse the Department for the value of the tree removed and any administrative costs incurred by the Department as a result of the breach. I have read, understand and agree to be bound by the conditions of sale enumerated in this agreement.
