

Oct 2011

A FORMAL meeting of the FLETCHER LAKE COMMISSION was held at 7:00 p.m. at the Bradley Beach Municipal Complex, after which the roll was called.

In attendance were Charles A. Quixley, Chairman; William Mockridge, Vice=Chairman; Robert Scholz, Treasurer; Susan Roach, Suzanne Klarewicz and Olga Blum, Secretary.

Also present were Phyllis Quixley, Marie Voidt and Connie Ogden.

THE FOLLOWING SUBJECTS WERE DISCUSSED:

(1) The electric bills were submitted by the Chairman for payment in the amounts of \$112.00 for the last time we're going to use the aerators. Also \$3.25 and \$41.00 for the lights.

Mockridge made a motion to pay the electric bills. The motion was seconded by Scholz, and carried.

(2) The Chairman passed around a picture showing the Ocean Grove side of the lake where he and his helper trimmed the trees as best as they could. They trimmed them, and will have to keep them trimmed and landscaped so they wouldn't become gangly and misshapen. The trees have been there for years. The Camp Meeting is supposed to take care of them, but they deferred it to the landscaper they hired, who did not take care of them.

Julian from he Historical Society asked the Chairman if he would cut a few limbs for him. They were very small, and the high ladder was necessary to cut them with a pole. Julian was very appreciative for the work that was done.

(3) The Chairman reported that we have 2 more small pavers sold. They're not engraved yet because the people haven't made up their minds what they want on them.
