Attention Residents and Businesses in the vicinity of:

Brighton Ave, Hillside Rd, Lakewood Rd

On or about July 25th, Earle Asphalt will begin performing work on the above mentioned street(s). Work will last for a period of **60 business days** from **8am-7pm** (weather pending) and will consist of **Sewer Force Main** improvements. All activities are weather pending. We appreciate your understanding while we proceed with these improvements. Please follow all signage when operating a vehicle, and please use complete caution when walking/driving through our work areas. Thank you for your anticipated cooperation. If canceled due to weather, the schedule will be delayed 1 day.

During hours of construction, please be advised traffic will be limited. Thru traffic to all homes/businesses will be available on all streets except for Hillside Road, although, there will be no direct parking in the designated construction areas. Please follow all road signs and obey traffic officers.

CAUTION: Please have all vehicles moved off the road[s], during the hours of **8am to 7pm**. Any vehicles remaining on the roadway run the risk of being towed by the **local PD**. Any damage to personal property must be documented with an Earle supervisor the day of the incident.

Thank you.

All emergency and school vehicles will have direct access to and through the worksite as needed.

For additional information during construction, contact:
Earle Asphalt Company at 732-308-1113 x 146

**If your concrete driveway is affected by construction, please allow 48-72 hours to set before driving.*
