

NEPTUNE TOWNSHIP

TRASH, RECYCLING, STREET SWEEPING
AND RECREATION SCHEDULES

2010-2011

Neptune
Township - NJ

Where Community, Business & Tourism Prosper

Mary Beth Jahn, Mayor
Kevin B. McMillan, Deputy Mayor
Dr. Michael Brantley, Committeeman
J. Randy Bishop, Committeeman
James W. Manning, Jr., Committeeman

Philip Huhn, Business Administrator
Michael Bascom, Chief Financial Officer
Richard Cuttrel, Municipal Clerk
Wayne Rode, Director of Public Works
Dawn Thompson, Director of Recreation

Public Works Schedule - Effective May 1, 2010

See following pages to determine your trash zone, your recycling area and your street sweeping section.

TRASH PICK – UP-

Monday & Thursday - Zones A & C

OCEAN GROVE ONLY-

Tuesday & Friday - Zones B & D

AUTOMATED COLLECTION – Your garbage will be collected ONCE a week NON-OCEAN GROVE RESIDENTS

Auto 1: Monday Auto 2: Tuesday Auto 4: Thursday Auto 5: Friday

If your collection day is a holiday, your trash will be picked up on WEDNESDAY of that week.

IMPORTANT REMINDER: The automated cart assigned to your address remains the property of the Township of Neptune and must remain at that location in the event you should move.

BULK & METAL - Picked up four weeks each month. Starting with first week with a Monday.

Place bulk and metal out Sunday night for pickup by Wednesday

Zone A - 1st week

Zone B - 2nd week

Zone C - 3rd week

Zone D - 4th week

BRUSH - Picked up four weeks each month. Starting with first week with a Monday.

Zone A - 1st week

Zone B - 2nd week

Zone C - 3rd week

Zone D - 4th week

Yard Waste - Picked up every other week. Yard waste must be placed in reusable containers (**NO BAGS**) at the curb

Jan 1 to Oct 16

Zones A & C 1st & 3rd weeks

Zones B & D 2nd & 4th weeks

Service Continued: Loose leaf pick up via zones in April and May

RECYCLING

Newspaper and Cardboard tied into bundles

Aluminum & tin cans, glass & plastic food and laundry containers placed in pails

Monday - Area 1

Tuesday - Area 2

Wednesday - Area 3

Thursday - Area 4

Friday - Area 5

All Recycling Pickups disrupted by a holiday will be picked up your next regularly scheduled pickup day

***Note – In the event of heavy winds do not place recyclables out for pickup.**

Each bundle or container must not exceed 50 lbs total weight.

**PLEASE USE THIS CHART TO DETERMINE YOUR TRASH ZONE,
RECYCLING AREA and STREET SWEEPING SECTION.**

This calendar contains a street index by which you can determine your zone, area and section for Public Works services. Please refer to the following pages and note your location and the zone, area or section assigned thereto, and place that information in the boxes provided below for your convenience.

Automated - Garbage Collection Day

Zone - designates Zone for pick up of

Trash (Ocean Grove Only),
Brush, Yard Waste and Metal.

Area - designates Area for pick - up of
Recycling.

Section - designates Section for

Street Sweeping schedule.

Note: the following Ocean Grove Sections 10,11,&12 are alternate side of road sweeping as per designation in calendar

13-3.3 Portable Basketball Hoops/Structures.

Portable basketball hoops/structures shall be permitted on the roads, streets, avenues and roadways of the Township under the following conditions:

- a. A basketball hoop/structure shall be permitted on a road, street, avenue and roadway only if immediately adjacent to the real property owned, rented or leased by the owner of the basketball hoop/structure.
- b. A basketball hoop/structure shall not be permitted on any road, street, avenue and roadway between the period from dusk to 9:00 a.m.
- c. At least (1) side or point of the base of said hoop/structure must be in contact with the curb-line.
- d. When not in use, a basketball hoop/structures must be removed from the road, street, avenue or roadway and placed on private property.
- e. When roads are snow covered, basketball hoops/structures are not permitted on any road, street, avenue and roadway at any time.
- f. When a basketball hoop/structure is in use, any and all individuals participating in its use or otherwise playing ball on a road, street, avenue or roadway shall yield to vehicular traffic by immediately moving to the curbline upon sighting the approach of a vehicle.
(Ord. No. 04-11 Sec. 1)

Shark River Municipal Marina

Yard Waste

All Yard Waste must be placed in reusable containers, not bags at the curb

Except during Loose Leaf Pick-up Seasons

Oct 18, 2010 through Dec 30, 2010

AND ALSO

Loose Leaves will be picked up

By ZONES in the spring (April and May)

Leaf pickup is for leaves **only**.

Do not mix other debris such as trash, limbs, brush, rocks, sticks, flowers, roots or plants in the leaf pile.

Yard Waste consists of leaves, twigs under 6" long and garden plants.

BE PART OF THE SOLUTION TO STORMWATER POLLUTION

WHAT IS THE PROBLEM?

Each time it rains, water washes over our streets, driveways, and yards picking up pollutants along the way and flowing into our storm drains. This runoff may contain pollutants such as motor oil, yard clippings, pet waste, litter, lawn chemicals, anti-freeze, or other toxins, which can pollute our water supply as well as clog pipes and culverts which can lead to flooding. Known as “Non-Point Source Pollution”, it is the largest threat to our waterways today. Sometimes pollutants are dumped directly into storm drains by neighbors who don’t know any better. Contrary to popular belief, our storm drains are not connected to treatment systems. Whatever enters the drain is discharged directly, untreated into local waterways!

HOW CAN YOU HELP?

The storm drain inlets on your street are being marked with a colorful marker, with a pollution prevention message. You can help, by using the following tips to prevent pollution:

- Make sure to properly dispose of leftover household chemicals, paints and automotive fluids. These leftover chemicals should never be thrown away. Monmouth County residents should call the Household Hazardous Waste Facility in Tinton Falls at 732-922-2234 to arrange an appointment, to drop off the material free of charge.
- Shop for nonhazardous, biodegradable and phosphorous-free household cleaning products.
- Use fertilizers, pesticides, and herbicides sparingly and follow the manufacturer’s instructions. Use integrated pest management (IPM) methods to minimize chemical use.
- Help keep trash and dirt off the street and out of the gutters. Keep trash cans closed to prevent trash from scattering.
- Clean up after your pets.
- Wash your car at a car wash facility and properly maintain your vehicle to prevent fluid leakage.
- Spread the word about protecting our waterways from polluted runoff.

NEW SERVICES

Important Changes for E - Recycling

The Township of Neptune has gotten a head start on the upcoming State of New Jersey mandated electronics waste recycling requirements. Beginning May 1, 2009 all e-waste in Neptune will be recycled. We encourage all residents to continue to drop off, at the recycling center, such items as computers, computer monitors, and related electronic hardware, analog or digital televisions (no wood cabinetry) printers, faxes, copiers, telephones, radios, remotes, and all types of wire.

Neptune Township residents dropped off over 109 tons of e-waste at the Recycling Center in 2009!

If for some reason you are unable to drop off your e-waste for recycling, you may call the Neptune DPW at 732-775-8797 x602 to schedule a pickup.

PAPER SHREDDING

Future paper shredding dates will be announced on the township web site and advertised when the dates are available

Latex Paint Recycling Drop off site

Homeowners may bring latex paint ONLY (no combustible or flammable oil base paint) to the recycling center. All pint, quart, gallon and 5 gallon latex paint containers will be accepted, provided the factory label denotes the product as latex. Containers must be secure and non-leaking, leaking paint will be rejected.

This program is in cooperation with the Monmouth County household hazardous waste facility.

Spring Loose Leaf Collection in April and May

If you missed the fall collection you have two chances in the spring to have them picked up. Loose leaf pickup is for leaves *only*. Do not mix other debris such as trash, limbs, brush, rocks, sticks, flowers, roots or plants in the leaf pile. Leaves must be separated from brush and are to be in the street (not bags).

Put leaves at the gutter line by Monday for pickup on the same week as your bulk & brush. Spring collection is based on your **brush zone (A, B, C, D)** and will be collected in April and May

Please remember that leaves are never to be put in bags they are banned from the landfill and the Township could be fined for non-compliance.

Residential Grease Recycling

This new program is offered to Neptune Township residents (no commercial) Neptune Township's Department of Public Works will accept your used cooking oil and grease to be disposed of and recycled.

Contact DPW at 732-775-8797 x604 to arrange for a drop off appointment.

Remember that improper disposal of grease, fat, or cooking oil can cause sewers to back up

PICK UP SERVICES FOR USABLE GOODS & EYEGLASSES

The following organizations make regular pickups from homes and businesses in Monmouth County. Call to make arrangements for pickup of usable and resalable items. These organizations reserve the right to reject items in poor condition.

Goodwill Industries (entire house contents)	973-481-2300
Salvation Army (furniture pickup only)	609-599-9801
Recirculation Technology Associates	732-363-0556
Rescue Mission of Trenton	609-695-1436

New Eyes for the Needy, a non - profit organization, accepts old eyeglasses for distribution to needy recipients in the U.S. and overseas. Glasses are used in two ways: Plastic - framed glasses are shipped overseas and reused. Metal frames are melted down, and the money made on the sale of the metals is used to pay for certificates that buy new glasses for people who need them in the United States. Hearing aids, watches and jewelry also are accepted. Glasses may be mailed to:

New Eyes For The Needy, 549 Millburn Ave., Short Hills, N.J. 07078 Phone (973)-376-4903. Visit neweyesfortheneedy.org

Compact fluorescent light bulbs or CFLs are the new “going green” simple solution. The new bulbs use 75 percent less electricity than incandescent bulbs and last up to 10 times longer. However, there is a big problem with CFLs. The bulbs contain mercury.

The Home Depot Rt. 66 Neptune is pleased to offer free in-store CFL bulb recycling. Just look for the signs and collection units in the store. Recycling of these bulbs will keep them out of our landfills and lessen the potential risks to both our water and air quality.

What Does My Refrigerator Have To Do With Clean Air?

You may discover that you are having difficulty getting rid of that old refrigerator or air conditioner. This is due to regulations implementing the Federal Clean Air Act. These regulations affect, among other things, the disposal of appliances (*such as air conditioners, refrigerators, freezers, and dehumidifiers*) that contain refrigerants. The refrigerants in these appliances often are composed of CFCs (Chlorofluorocarbons - often called by their brand name, **(Freon)** which, when released into the atmosphere, deplete the ozone layer. The regulations call for the recapturing of CFCs during recycling to prevent damage to the atmosphere.

In 2008 Neptune DPW recycled 346 oz. of Freon form old appliances.

You can ask the company where you bought your new appliance to take the old one. Otherwise, call or come into Neptune Township Public Works at 2201 Heck Ave. and set up an appointment to pick up your old appliance; the fee is \$30.00.

**All White Goods (metal appliances) are BANNED
from the Monmouth County Landfill.**

SNOW REMOVAL *HOW CAN YOU HELP?*

When snow is predicted, park your car off the street whenever possible. This makes passage of the snowplows and sanders much easier.

Temporary Parking Prohibition for Snow Plowing and Removal.

- b. During a snow emergency, if off-street parking is available, any vehicle shall not be parked on any street or road, notwithstanding the designation as a snow emergency street in subsection 7-7.3a above.

Clear the snow from your sidewalk as soon as possible. This is your responsibility to help ensure a safe passage for children walking to and from school by not forcing them to walk in the roadway.

REMOVAL OF SNOW AND ICE.

13-2.1 Responsibility for Removal; Time.

The tenants of lands abutting or bordering upon the sidewalks of the public streets and highways in the Township shall remove, or cause to be removed, from the sidewalks in front of or bordering on their lands all snow and ice within twelve (12) hours of daylight after the same shall be formed or fall thereon. (Ord. No. 1369 § 1)

When shoveling snow from sidewalks and driveways, place the snow on your lawn to the right of the driveway (**NOT BACK INTO THE STREET**). This prevents the snowplows from plowing the snow back into your driveway.

Magic show, movie, DJ music, and treat bags.

Holiday Tree Lighting

Early December, date to be confirmed. Time-6pm.
Location Neptune Municipal Complex.
Pictures with Santa, music, refreshments.

Volunteers

If you're serious about helping, the Recreation Committee (comprised of volunteer representatives from various sports groups and homeowners associations, and interested residents) supports the efforts of the Recreation Department by assisting with recreation special events, and by making suggestions for improvements to programs and park facilities.

If you require any additional information call the Recreation Office, 732-869-1202.
