

Spring Work Form: To be signed and completed by Land Storage Customers!

Pursuant to the recent changes in the NJDEP guidelines regarding ground water discharge: these instructions must be followed this spring for a safe and healthy environment:

Washing

- Power washing of Boat Bottoms with Anti-fouling paint can only be conducted by Monmouth Marine in our marina in the new wash down Facility across from the travel Lift Pit. Cleaning of Top sides By a Boat owner (from the water line up) is allowed if Biodegradable Products are used.
- No washing, rinsing of inboard motors or machinery is permitted.

Sanding & Painting

- A filter cloth or tarp must be used under all boats while painting, sanding or scraping.
- No chemical strippers are allowed.
- If you wish to bring in an outside vendor to Paint or sand your bottom the marina office requires a copy of their certificate of liability and the vendor must have a Neptune Township Mercantile License on file with the Township of Neptune.
- All paint, cleaning supplies and Zincs **MUST** be removed from our property when you are finished not disposed off in our dumpsters! We ask that you make arrangements through Monmouth Marine Engines Inc. to dispose of all hazardous materials.

General

- No engine work is permitted on our property from outside vendors, without them stopping into the marina office. They must have a certificate of liability on file with the marina and a Neptune Township Mercantile License on file with the Township of Neptune. You may pick up that application in the marina office.
- No Oil or Chemical products are to be left or dumped in our containers. Again arrangements for disposal can be made through Monmouth Marine.
- All paint, cleaning supplies and materials **MUST** be disposed of at a Hazardous-Waste Facility, not on our marina property. Again you may make arrangements through Monmouth Marine Engines Inc. to dispose of all hazardous materials.
- Nothing may be dumped into the river.
- **"ONLY"** the staff at the marina is permitted to adjust boat stands.
- **"MUST" Show proof of boat insurance and proper registration prior to your arrival.**

Please explain what your plans are with your vessel while on land storage at our Marina:

By signing this document, I agree that I, my helpers or crew, comply with this document. I understand that if I violate any of the above, the marina office may terminate your lease agreement immediately.
